On 23 July 2022 the flag-waving meeting "Bandiere Sotto le Stelle" took place in Bibbiena.

"Bandiere Sotto le Stelle" took place.

3 groups showed their show

Gruppo Storico Sbandieratori di Fivizzano

Gruppo Storico Citta di Cortona

Sbandieratori e Musici Citta di Bibbiena

A delegation of the ECF visited this nocturnal spectacle

President Gerhard Schlaich

1.treasurer Ines Schlaich and the

Deputy Lisa Meroth

Cortona and Bibbiena are members of the ECF and so the delegation took the opportunity for personal talks with the groups.

The group from Cortona left a very good impression and showed beautiful, fluent flag-waving.

The group from Fivizzano was also interesting.

The accompanying music consisted mainly of pipers and drummers. The flag-wavers themselves showed very swinging performances.

Their black light show was really worth seeing.

The flag-wavers from Bibbiena had greatly rejuvenated themselves.

One would have liked to see more of the bambini group in particular.
